

# Be on the lookout for an email or text message welcoming you to our new surgical patient portal!

This portal will allow you to complete your pre-surgical questionnaire online instead of answering these questions over the phone. When you complete the online questionnaire, your responses will be reviewed by a nurse, who will contact you by phone if there are any additional questions.

You will also have access to your pre-surgical instructions and can access them at any time by clicking on the link in the email or text message.

- **Do I need to download an app for this?**  
No, by clicking the link in the email or text message, you will be brought to the login screen in your web browser.
- **Do I need to create an account and a password?**  
No, your secure link will allow you to log in using your name and date of birth.

Please contact the surgery center if you have any additional questions.

A screenshot of the patient portal login interface. At the top, there is a decorative image of a white and yellow flower on dark grey stones, with the text 'POWERED BY SIS' in the bottom right corner. Below the image is the logo for 'NASC 716 Northtowns Ambulatory Surgery Center'. The main section is titled 'Patient Sign In' and contains three input fields: 'Patient's First Name', 'Patient's Last Name', and 'Patient's Date of Birth'. At the bottom of the form is a pink 'Sign In' button.
